Directions from Atlanta -- I-85

Take I-85 to I-985 to Gainesville. Take US 129 thru Cleveland until intersection with US 19 (see below).

Directions from Atlanta -- GA 400

Take GA 400 and US 19 North. Where GA 400 ends, follow US 19 and GA 60 to the left towards Dahlonega. At Dahlonega turn right just past the Texaco station, staying on US 19 and GA 60 (truck bypass). Continue on US 19, veering right at the split with GA 60, and turning left at the intersection with US 129.

From US 19 and US 129 intersection

Continue on US 19 and US 129 up over the mountain, crossing the Appalachian Trail at the Walasi-Yi Center at the top. Continue down the mountain, past Vogel State Park, past GA 180 (left), past GA 180 (right). 1.6 miles after the GA 180 (right) intersection, turn right on Booger Hollow Road, just before the Valero station. Follow it 1.6 miles to its end at Town Creek School Road. Turn right, go 0.2 miles and turn right at the next road, Timber Lane. Our sign is just before the turn. Follow this road up the hill to the 2nd house on the left, bearing left at the 143 signpost down to our house.

Directions from Atlanta -- I-75

To avoid the climb over the mountains, take I-75 North from Atlanta, then I-575 North. This road turns into GA 5, and later GA 515. Stay on this road past Ellijay (where US 76 joins), past Blue Ridge (where GA 5 leaves), on to Blairsville. In Blairsville, turn right off the four-lane road at the US 19/129 intersection. Follow US 19/129 South with a couple of turns to the center of town. At the Town Square, turn right at Cabin Coffee and continue on US 19/129 South 2.6 miles to Town Creek School Road, just beyond the large yellow chair. Turn left, go 2.5 miles, and turn right on Timber Lane. Follow this road up the hill to the 2nd house on the left, bearing left at the 143 green signpost down to our house.
